YOUR FEEDBACK MATTERS

The DfE are collecting feedback on your Teaching School Hub. We are committed to serving the schools in Pennine Lancashire and would hugely appreciate you taking the time to complete this [brief survey](#).

REGISTER YOUR ECTs

All schools with Early Career Teachers (ECTs) due to start in September 2022 must ensure they are registered for their statutory induction. The opening Induction for new ECTs is on **Tuesday 20 September** – so early registration is vital to secure your school's place on this fully-funded programme.

[This document](#) outlines the three steps you need to take to ensure your new ECTs are registered for their Induction. If you need more detailed guidance, [here](#) is a step by step walk through of the three steps you need to take. Use this document to understand each step and identify what actions to take if there is a problem or added complexity.
